

2007 LUSCAN REUNION

Dear Fellow Loretonian,

The annual meeting and reunion last July 2007 in Duncanville, Texas was a great success -- the camaraderie was admirable and the commitment to contribute was so genuine. Thanks to everyone who attended and made our gathering such a fun event especially when we reminisce the old good days, captured in the laughter of those who came. We missed those who were unable to attend; we hope that others can join us next time.

We hope every Loretonian gets involved, by committing their time and contributing towards such a worthy cause, i.e., to enhance the lives of the people in the town and barangays of Loreto and Tubajon. Through the Loretonians in the U.S.A and Canada, we can lend support to those in need.

Our heartfelt thanks to our gracious host, Lea and Sabri, their children Yasmin and Amni, for their hospitality and for opening their beautiful home. Thanks also for providing fabulous music & entertainment at the dinner dance which was held at the City of Desoto's library building.

This year's motions included an appropriation of \$1,000 for the repair and maintenance of the Luscan library to match a \$1,000 donation of one of our members for the construction of a children's playground in Loreto.

The reunion attendees also unanimously voted to have a 2008 Cruise Ship Reunion in Florida in mid-July, 2008. Everyone is encouraged to save the date and start saving for this reunion. We will advise the Loretonians soon of the plans for next year's reunion.

The success of our organization goals depends on your sincere commitment to our fellowship and your monetary donation. Our main fund raiser comes from annual member dues of \$50 that is collected during the reunion; therefore, I call on every Loretonian in the U.S.A and Canada to join our annual reunions or send in their donations.

I also encourage everyone to solicit donations of books, magazines, and learning aids for the Loreto Library. The organization will refund the donors of their shipping cost.
